

# A Simple LaTeX Document

Your Name

August 9, 2024

## 1 Introduction

This is a very basic LaTeX document. It demonstrates a few simple elements:

- A title and author
- A section
- A simple equation
- A bulleted list

## 2 An Equation

Here's a simple equation:

$$E = mc^2 \tag{1}$$

This is Einstein's famous mass-energy equivalence formula.
